On the library's website you can browse or search for books and other library materials, manage your account, and find out what's going on at the Riverside Library. But you can also access the Library's subscription databases...valuable scholarly and full-text resources you can't find on the plain old internet.

You can check out these databases and a lot more at www.riversideca.gov/library...

The top right corner has a 'Sign In' button.

The Medline Plus logo features the word 'Medline' in white and 'Plus' in a large, yellow, serif font. Below it, the text reads 'A service of the U.S. LIBRARY OF MEDICINE and the NATIONAL INSTITUTES OF HEALTH'.
